What makes you a great leader and representative for your grade level? What make me a great leader is I listen to other voices not only mines I love to volunteer to make our school cleaner and safer. I am also student of the month for risk taker I'll take risks for every one.

Why do you want to be a grade level President or a member of the grade level Cabinet? I just want to make us feel safe and welcome to our school Brooklyn center middle school. That's why I want to be President or at least be apart of the cabinet.
