

Brooklyn Center High School  
Centaur Council

Candidate Name: Ariana Wilson  
Grade: 10<sup>th</sup>

Extracurricular activities, interests, skills:

I love to write and read books. I enjoy listening to music and going to concerts with friends. I play softball for the city of Brooklyn Park during the spring/summer. I am also a part of the Brooklyn Youth Council, that works closely with the Brooklyn Bridge →  
What makes you a great leader and representative for your grade level?

I think that to be a great leader, you need to be a great listener.

If I make the cabinet I'd listen to what the students have to say and look at student/school issues from both sides. When you take all aspects of an issue into consideration that makes you a great representative and a leader.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I want to be a grade level president/member of the cabinet because I want to see a change at BCCHS. I know a lot of students are unhappy with things at school, including myself, and

I want to take the opportunity and change that. I think it'll be great to work with the staff and admin to make a difference at our school.
