

Brooklyn Center High School
Centaur Council

Candidate Name: *Ben Swent*

Grade: *12*

Extracurricular activities, interests, skills:

What makes you a great leader and representative for your grade level?

I have good ideas and I would like them to be heard.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I would like to be able to change things to be good for the whole school and not just teachers.
