

Brooklyn Center High School
Centaur Council

Candidate Name: Desiree Swanson
Grade: 9th / Freshman

Extracurricular activities, interests, skills:

(meat) plays, clay club, football, volleyball, artistic, band, reading, art, video games,

What makes you a great leader and representative for your grade level?

I have very good grades, I help people who don't know how to solve the problems, I'm not afraid to say what I'm thinking, I'm usually in advanced classes, and I always look for the positive side of things.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I feel as if I'm a very important person. And I am because I am your future generation. Our future depends on the future generations and the youth. I'm young and still growing, so as I get older, I could that could be changed to make a better community.
