

Brooklyn Center High School
Centaur Council

Candidate Name:

Grade: ^{9th} Jackie Doepoh

Extracurricular activities, interests, skills:

I play basketball, and
I run too.

What makes you a great leader and representative for your grade level?

I think I'll make a great representative
for grade level because I have great ability
to work with others and come up with helpful ideas.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I want to be apart of the Student Government
in BCHS because I think it will be a
great way to speak up and let my and other
Students voices be heard. I also think
that it will be a great way to be
myself and to help other Students too.
