What makes you a great leader and representative for your grade level?

I feel I would be a great leader and representative for my grade level because I bring diversity to the school as a very intelligent Mexican male.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I want to be a 12th grade president or member of the grade level cabinet because it sounds interesting to help out the administration on issues that affect students at B.C.
