What makes you a great leader and representative for your grade level?

I like always being a leader. I did a speech for my grade level in front of the parents and students. I was 5th grade. I was a leader.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I love being a leader. Proper the 1st grade. speaking my mind. Being president would give me a chance to make a change. My leadership skills and my organization skills will help me to make a change. I want to be 8th grade president and I know I will be a good president even if no one else thinks so. No matter what happens I will always fight for what's right.
