What makes you a great leader and representative for your grade level?

There are few things that make me a great leader. One is that I am a great listener and will do my best for what is asked of me. Another is that I am a supporter of my grade and know by working together we, the class of 2014 can better the school and community.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I want to be someone that students can come to so their voice can be heard. When there is a problem, I want to be the one to fix it and want to better our school.
