Extracurricular activities, interests, skills:

- Soccer, Debate Club, Politics, leadership is my best skill
~~my best skill~~

What makes you a great leader and representative for your grade level?

I actually do care and I listen to everyone's complaints about things and even their point. I do want to make a change that

Why do you want to be a grade level President or a member of the grade level Cabinet? not only benefits me

I'd like to meet other students but my whole grade.

Council members and see what they're doing for their school that I can maybe tie in with my school, nay, the student's school and make this school enjoyable and the best learning experience for everyone who steps into the school.
