Candidate Name: *Molly Falnes*
Grade: *8th*

What makes you a great leader and representative for your grade level?

I am very kind, respectful and organized. I want things to be right and also listen to other's ideas and imply them to my own. I also follow the Golden Rule! Which is stated: Treat other like YOU want to be treated! That is the rule I follow.

Why do you want to be a grade level President or a member of the grade level Cabinet?

Because I believe my improvements will be very good for our School and the community. I also believe my organization skills would be helpful with things around the school big or small. I also have opinion about specific manners about 8th grade and middle school like the bathrooms, littering, and buying supplies that we SHOULD have.
