What makes you a great leader and representative for your grade level?

I can persuade at times, which helps people be more inclined to listen to me. Also, I can about people's problems, and I try my best to

Why do you want to be a grade level President or a member of the grade level Cabinet?

I wanted to run, because there's some things that I want to change in this school. But I'm not the only one who wants these changes. Other students do too. So, maybe if enough of us want it, it can happen.
