

Brooklyn Center High School
Centaur Council

Candidate Name: *Ray Samuel Madison*
Grade: *10th*

Extracurricular activities, interests, skills: *Basketball, Football, Rapping*

What makes you a great leader and representative for your grade level?

I give good advice, help people out with homework, much more of a problem solver, and I stay away from negativity.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I find myself as a great role model to others, I make people feel at home. I'm positive, and I do my best in school.
