

Brooklyn Center High School
Centaur Council

Candidate Name: Sadia Hills-Squire
Grade: 9

Extracurricular activities, interests, skills:

Weight lifting, Band, Knitting club.

What makes you a great leader and representative for your grade level?

I like to use the positive side of things and look at the negative but make it positive.

Why do you want to be a grade level President or a member of the grade level Cabinet?

I think this would be a great opportunity to help students have their opinion. I also think it will be a great way to practice being in the real world, and to show the school that we care
