What makes you a great leader and representative for your grade level?
I think that I am a great leader because I respect other and I always let my
my friends to stop fight I think of my self as a peace maker also my
grade is good.

Why do you want to be a grade level President or a member of the grade level Cabinet?

because I want to be a president of my grade I feel like I can help
the school and make our school better I also have great ideas.
